**TURKISH HOMES TO EXHIBIT AT OPPLIVE 06
- Leading agency plans to forge relations with UK estate agents -**

Turkish Homes, www.turkish-homes.com, a leading estate agent selling and renting property in Turkey, has opted to exhibit at OPPLive 06 in London next month.

The company, one of the largest and longest established players in Turkey, will use OPP as a platform to forge relations with independent agents across the UK. In turn, the agents will be able to market Turkish property from their portfolio, benefit from competitive commissions, and the knowledge that they are working with a trusted and reputable organisation.

Clair Walker, director at Turkish Homes, commented: "We exhibited at the inaugural OPPLive in 2005, and it proved to be a real success for our company. We hope that the 2006 event reaps equal reward, and provides a host of new agency introductions for Turkish Homes also.

"The property market in Turkey continues to grow from strength-to-strength, offering return-on-investment opportunities, as well as an excellent holiday home destination. We firmly believe that the time is ripe for UK agents to become part of this emerging industry."

Visit Turkish Homes at OPPLive 06 on stand W52, or contact us on tel: 0845 3312644, email: info@turkish-homes.com, to arrange a meeting.

Notes to editors

About Turkish Homes:

Turkish Homes, www.turkish-homes.com, is one of the largest and longest established estate agents selling and renting properties in Turkey, with over 1000 properties listed on the website.

Established in 2001, Turkish Homes has offices in the coastal resorts of Altinkum and Bodrum. Turkish Homes Ltd, its sister company, is based in Wimbledon in London.

Turkish Homes Ltd also has a network of recommended agents in resorts including Alanya, Belek, Datca, Fethiye, Kas, Kalkan and Marmaris.

The company specialises in sourcing, selling and renting apartments and villas across all of the country's coastal resorts. It also works closely with reputable building companies, who can assist in purchasing land and property construction, as well as property management services.
